The Ashcraft Family

MISSIONARIES TO MEXICO · SINCE 2007

PRAYER LETTER
November 2026

Our home is Mexico. Our hope is Christ.

Mount Hebron · Training nationals to plant churches in Mexico and beyond.

Dear praying friends,

As Thanksgiving approaches, we want to thank the Lord for His consistent provision for our family and ministry. Prices and the cost of living continue to rise, but God has supplied our needs and allowed us to keep serving here in Mexico. We know that churches across the United States give sacrificially for the cause of Christ. Thank you for **making missions a priority** and faithfully helping us stay on the field.

The work here continues steadily. We are preaching the Gospel, seeing believers baptized, and teaching disciples through Sunday School and the Foundations of My Faith program. There is not always a particular event that stands out, but it is a blessing to see people learning God's Word and growing week after week. Your support has a part in this ongoing work.

This has also been a difficult semester at Instituto Bíblico Bautista Monte Hebrón. More students than usual have left the institute for various, unrelated reasons. We are concerned for each of them and ask you to pray for both those who have left and those continuing their studies. Please pray for **our students' integrity, health, and faithfulness,** and for wisdom as we teach and guide them.

Progress toward our new dormitories has been slow. We have received some referrals for architects, but we need funds to move forward with the drawings before we can obtain building permits. Our campus also needs work on its water, sewer, and electrical infrastructure before we can build. Please pray for **the right architect, wisdom in planning, and the finances** to take these necessary steps. If you are an architect, or know someone who might be able to help, we would appreciate hearing from you.

On the family side, Jonathan Jr. had a root canal this week, and we are thankful that we were able to cover the cost. We are looking forward to the Thanksgiving and Christmas season and are expecting my sister Tammie and her husband, Henry, who serve as missionaries in El Salvador, to be with us. We look forward to spending time together.

Thank you for praying for our family, our students, and the work here in Mexico. We are grateful for your friendship and sacrifice. As you gather for Thanksgiving, please know that we are thanking the Lord for you.

For souls in Mexico,

Jonathan & Jenny Ashcraft
